Morgenthau as a Weberian Methodologist

of theory in International Relations Almost all of this discussion has mischaracterized his views The clues given in his writings, as well as his biography, point directly to Max Weber’s methodological writings Morgenthau, it is argued, was a sophisticated user of Weber’s views who self-consciously applied them in the sphere of International

Global Discourse

Weber’s International Relations Theory, having never studied the subject As such, I shall not (because I would not properly be able to) focus on examination of the accuracy and cogency of the accounts of the various theories outlined in the book Rather, given that this is intended as an introduction to the field, I shall focus on its
